

## Effective from 1 January 2026

---

1. Pearl Electric Solutions (PES) warrants its products to be free from defects in materials and workmanship under normal domestic use.
  2. Warranty periods: Ceiling fans, exhaust fans, MCBs, RCDs, stabilizers and copper wiring - 2 years. LED lighting, sensors, power sockets, switches, and other accessories - 1 year.
  3. Coverage: manufacturing defects only. Excludes damage from misuse, voltage fluctuation, tampering, water damage, or repair by unauthorized personnel.
  4. Claim procedure: present the original receipt and completed warranty card at any authorized PES dealer or service center.
  5. Resolution: PES will repair or, at its discretion, replace the defective product. No cash refunds are provided under this policy.
  6. This warranty is in addition to any statutory rights the customer may have under applicable law.
